

NORTHEAST HOMELAND SECURITY REGIONAL ADVISORY COUNCIL

How to Download NERAC Safety Center Mobile Application:

1. Go to the iTunes App or Google Play store and download the “Dude Solutions Safety Center” application.
 - a. **Apple Users:** When launching the app for the first time select “OK” when told “Safety Center” Would Like to Send You Push Notifications
2. After this is downloaded, open the application, click “Continue without Logging In” and click on the “+” sign in the top right hand corner. A search bar should open up. Type in “NERAC” and hit search.
3. A box will show up with the “NERAC Regional Resources” plan, the “About NERAC” plan, and the “Tactical Communications Information” plan. Select whichever one you would like to download.
4. You will be prompted for a password for each plan. The password for the “Regional Resource Guide” app is “NERACResources” (case sensitive). The password for the “About NERAC” app is “NERAC85” (case sensitive). The password for “Tactical Communications Information” is “NERAC Comm5” (case sensitive). Once they have been entered, you will have unrestricted access to the application as long as you own that device.
5. Once downloaded, you should see icons for all of the application titles on your Safety Center Home Screen. Select any of them to proceed to the respective application.

If you have any questions, please contact one of NERAC’s Program Managers, Austin Murray at amurray@mapc.org or 617-933-0755, or Caroline Graham at cgraham@mapc.org or 617-933-0732.
